

PORT & VESSEL FAMILIARISATION COURSE

Tuesday 30 June – Wednesday 1 July 2026 | Southampton - SS Shieldhall

FROM PORT TO CLAIM : UNDERSTAND WHAT REALLY HAPPENS

A TWO-DAY IMMERSIVE COURSE IN THE WORLD OF MARITIME OPERATIONS

Close up view of vessels and port operations

Ship handling centre for navigational demonstrations

Boat tour of Southampton Docks with access to the bridge and engine room

Fire & hazmat scenarios and hands on fire exercise

Gain a clearer understanding of port operations, vessel processes and incident realities, so you can handle marine claims and legal matters with greater confidence.

Building on more than 15 years of success, our exclusive **Port & Vessel Familiarisation Course** offers an immersive, two-day interactive introduction to port and vessel operations. Based in Southampton, **on board the SS Shieldhall and moored in the heart of the docks**, the course incorporates Solent University's industry-leading training facilities, offering a highly practical learning experience for **marine claims, legal and insurance professionals**.
